NCEA Esthetician Scholarship Application

Esthetician students will be eligible to receive a $1,000 scholarship while attending school. These incentive scholarships will be awarded to students that demonstrate good performance in school as well as financial need. A 250-word typed essay of the applicant's financial situation, and their desire to become an esthetician will determine the Scholarship Winner. Applicants must have enrolled and begun classes in an *esthetician only* training program by the application deadline and maintain at least 80% attendance and 80% grade average. A selection committee comprised of NCEA members will review all applications that meet the basic requirements to be verified by the student's school. There will be a limit of one scholarship recipient chosen from an individual school each year.
